Acalypha pendula
Firetail Chenille Plant

🌞🌱 8-18cm (3-7")

Fluffy masses of bright red chenille flower spikes are produced periodically during the year. *Sobkowich*

Agrostis stolonifera
Green Twist

🌞🌱 25-36cm (10-14")

The bushy, grasslike foliage on this variety resembles bamboo with a healthy looking, unique vining habit. Green Twist must be kept well-watered during hot spells. Trailing habit. *Nordic*

Anagallis
WILDCAT Series

🌞🌱 15-30cm (6-12")

From the breeding program at the University of New Hampshire, Wildcat is a groundbreaking series of early-blooming, compact, large-flowered anagallis. These plants make a stunning addition to any container blooming from April until November.

Nordic, Sobkowich

'Wildcat Blue' ^{USPP15137}

Magnificent blue blooms.

'Wildcat Mandarin' ^{USPP18845}

Exquisite bright orange flowers.

Artemisia stelleriana
SILVER CASCADE®

🌞🌱 10-20cm (4-8")

Silver-grey foliage nicely complements flowering plants and adds contrast. Trailing habit. *Nordic*

Begonia

BELLECONIA™ Series

🌞🌱 20-30cm (8-12")

Large double blooms start earlier and keep blooming longer with increased heat and light level tolerance. *Nordic*

BELLECONIA™ Apricot Blush

BELLECONIA™ Cream

BELLECONIA™ Hot Orange

BELLECONIA™ Rose

BELLECONIA™ Snow

BELLECONIA™ Soft Orange

Begonia

SOLENIA® Series

🌞🌱 20-30cm (8-12")

Compact, well-branched plants that set big, double blooms on glossy, dark foliage. Great sun tolerance. *Nordic*

SOLENIA® Dark Pink

SOLENIA® Light Pink

SOLENIA® Red

SOLENIA® Red Orange

SOLENIA® Velvet Red

SOLENIA® Yellow Improved New this year.

Begonia

SUMMERWINGS® Series

🌞🌱 20-30cm (8-12")

Huge, airy single blooms with continuous flowering all summer. Blooms earlier than traditional tuberous begonias. *Nordic*

SUMMERWINGS® Dark Elegance

SUMMERWINGS® Deep Red

SUMMERWINGS® Ebony and Orange

SUMMERWINGS® Orange

SUMMERWINGS® White

Begonia
Florenca Orange 🌞🌞 25-30cm (10-12")

Strong outdoor performance with good sun tolerance. Vigorous and well-branched with large, vivid orange flowers. New this year. *Nordic*

Begonia (Reiger)
Vermillion Red 🌞🌞 30-46cm (12-18")

A prolific bloomer all season that is perfect for sun or part sun. *Nordic*

Bidens
BEE DANCE® Red Stripe 🌞 30-36cm (12-14")

With masses of flowers on spreading/trailing foliage, Red Stripe works well in combo baskets or in the landscape. *Nordic*

Brachyscome
BLUE ZEPHYR™ 🌞 23-38cm (9-15")

Lacy foliage and small, blue daisy flowers bloom all season to make a large impact in the garden. *Nordic*

Calceolaria
Golden Yellow 🌞 15-30cm (6-12")

Bushy compact plant with small, bright yellow pouch-shaped flowers. *Nordic*

Calibrachoa
MILLION BELLS® Series 🌞🌞 8-20cm (3-8")

Incredibly easy to grow, Million Bells are hugely popular. Their profuse, self-cleaning flowers arrive in spring and keep going until fall. Among the most hummingbird-friendly plants on the market. Great garden performers.

MILLION BELLS® Trailing Blue ^{USPP20505} 🌞🌞 8-20cm (3-8")

Nearly purple blooms with a bright yellow center. *Nordic, Sobkowich*

MILLION BELLS® Trailing Magenta ^{USPP14729 Can2348} 🌞🌞 8-20cm (3-8")

Cascading purple-magenta flowers all season. *Nordic*

MILLION BELLS® Trailing Pink ^{USPP10287 Can1069} 🌞🌞 8-20cm (3-8")

Bright pink blooms and tight-growing foliage. *Nordic, Sobkowich*

MILLION BELLS® Trailing Yellow ^{USPP21125 Can3950} 🌞🌞 8-20cm (3-8")

Boasts trailing mounds of lemon-colored blooms. *Nordic*

Cosmos astrosanguineus
Choca Mocha 🌞🌞 25-30cm (10-12")

Delicate chocolate-colored flowers are held on sturdy stems surrounded by fern-like foliage. *Nordic*

Cuphea llavea
TINY MICE® 🌞🌞 25-36cm (10-14")

Small bright red flowers from summer to early fall. *Nordic*

Dahlia
Mystic Dreamer ^{USPP19885} 🌞 51-61cm (20-24")

Delicate pink petals form a ring around a magenta center on dark mahogany foliage. *Nordic*

Dracaena indivisa
Spikes 🌞🌞 61-91cm (24-36")

Long, deep green, fan-like foliage adds height to containers. *Nordic*

Hardy Ferns
Hardy Ferns add some excitement to a patio pot or shade basket with their gracefully arching dissected fronds.

Autumn Fern 🌞🌞 46-61cm (18-24") Zones 5-9

Dwarf fern with coppery red young fronds that mature to deep green. *Nordic*

Soft Shield Fern 🌞🌞 46-61cm (18-24") Zones 6-9

The swirling, arched fronds will add textural interest to any container. *Nordic*

Tropical Ferns
Australian Sword Fern 🌞🌞 61-91cm (24-36")

Large sword shaped fronds. Great in containers and baskets or in shaded garden beds. New this year. *Nordic*

Emerald Vase Boston Fern 🌞🌞 15-30cm (6-12")

This attractive fern has wonderfully textured fronds and is easy to grow. *Nordic*

Variegated Brake Fern 🌞🌞 30-41cm (12-16")

Spectacular variegated fronds add interest to any container or basket. *Nordic*

Fuchsia

SHADOW DANCERS® Series

☉☉☉ 20-30cm (8-12")

A very early bloomer and easy fuchsia series with exceptionally uniform and upright, compact growth. The flowers perch well above the bushy, small-leaved foliage. Blooms all summer long and is heat tolerant. A great 4-inch crop. *Nordic*

SHADOW DANCERS® Betty USPP13765

SHADOW DANCERS® Marcia USPP13760

Fuchsia

Eruptions

☉☉☉ 30-41cm (12-16")

An eruption of tubular flowers cover the trailing stems. A real eye catcher. *Nordic*

Fuchsia

Wilma Verslot

☉☉☉ 25-36cm (10-14")

Stunning single blooms feature crimson red sepals and royal purple corollas that bloom spring to fall. Everblooming, even in full sun. *Nordic*

Glechoma hederacea

Dappled Light USPP17683

☉☉☉ 8-15cm (3-6")

Vigorous grower with pink stems and brightly variegated chartreuse scalloped leaves. Trailing habit. *Nordic*

Glechoma variegata

Variegated Creeping Charlie

☉☉☉ 8-15cm (3-6")

Creeping Charlie's variegated foliage makes it an ideal companion plant in baskets and planters. Quick growing and trailing habit. *Nordic*

Hedera

Glacier

☉☉☉ 8-15cm (3-6") Zone 5

This classic, fan-shaped, silvery green English ivy is a strong grower, trailing variety that's great for baskets, containers, and as a groundcover. *Nordic, Sobkowich*

Golden Ingot

☉☉☉ 8-15cm (3-6") Zone 5

Golden Ingot's triangular-shaped ivy leaf is dainty, elegant, and compact. The variegated leaves feature an overall lemon yellow tone with grey splotches and an emerald green rim. *Nordic*

Ritterkreuz

☉☉☉ 8-15cm (3-6") Zone 5

Fairly vigorous grower with trailing, self-branching habit. The small, glossy dark green leaves have five to seven pointed lobes, often with little side branches. *Nordic, Sobkowich*

Teardrop

☉☉☉ 8-15cm (3-6") Zone 5

This variety features shiny, dark green, unlobed teardrop-shaped leaves that are longer than they are wide. *Nordic*

White Ripple

☉☉☉ 8-15cm (3-6") Zone 5

White Ripple has strong white and green variegation on 5-lobed leaves. Slower growing and self-branching. White Ripple is a trailing variety that works well in baskets or containers. *Nordic*

Yellow Ripple

☉☉☉ 8-15cm (3-6") Zone 5

Yellow Ripple is a slower growing, prostrate variety with zig-zag stems. The foliage is silver green with butter yellow edges through all seasons. *Nordic, Sobkowich*

Helichrysum petiolare

☉☉☉ 20-30cm (8-12")

Licorice plants are exceptionally easy to grow, requiring little water and fertilizer to deliver a compact, upright, sturdy plant that is a great filler in containers and the landscape.

Licorice Splash

Delightful grey-green leaves with creamy variegation. *Nordic*

Petite Licorice

Very compact grower with dainty, dusty, silver-green leaves. *Nordic*

White Licorice

Vigorous grower with lovely silver-white foliage. *Nordic*

Helichrysum thianschanicum

Icicles

☉☉☉ 20-41cm (8-16")

Tight growth habit with long, delicate, intensely silver foliage. Upright habit. Sun or partial sun. *Nordic, Sobkowich*

Heliotrope arborescens

Fragrant Blue

☉☉☉ 45-76cm (18-30")

Large clusters of sweet smelling, purple flowers with upright semi-trailing habit. *Nordic*

Heliotrope arborescens

Marine

☉☉☉ 38-51cm (15-20")

Large clusters of deep purple, vanilla-scented flowers all summer. Heat tolerant. *Nordic*

Herbs

Nordic

☉☉☉ 41-61cm (16-24")

Plectranthus coleoides

- Variegata** 15-30cm (6-12")
- Beautiful creamy white and green leaves and a trailing, spreading habit make this beauty ideal for a hanging basket or combo. Also has an herb scent. *Nordic, Sobkowich*

Salvia guaranitica

- Black & Blue** 76-102cm (30-40")
- Vibrant blue tubular petals are emphasized by the black stems and bright green foliage. *Nordic, Sobkowich*

Setcreasea

- Purple Heart (Wandering Jew)** 30cm (12")
- Semi-trailing habit with deep violet purple leaves. Color intensifies in full sun. Use in containers or baskets for foliage interest. New this year. *Nordic*

Solenostemon scutellarioides

- Coleus**
- Bold, versatile and colorful, these popular foliage plants are tolerant of varying light conditions, are easy to grow and are among the fastest-selling plants in any program.
- Black Prince** 61-76cm (24-30")
- Nearly solid black foliage. *Nordic*
- Fishnet Stockings** 61-91cm (24-36")
- Symmetrical bright green leaves appear to be hand-painted with a deep burgundy variegation. *Nordic*
- Freckles** 61-76cm (24-30")
- Bronze and orange splotches on creamy yellow leaves. *Nordic, Sobkowich*
- Gay's Delight** 61-91cm (24-36")
- Lime green foliage with purple veins make a unique accent. *Nordic*
- Pineapple** 30-46cm (12-18")
- Lime green and yellow scalloped leaves with maroon edges. *Nordic, Sobkowich*
- Sky Fire** 30-46cm (12-18")
- Burgundy-red leaves are lined with ruffled, lime edges. *Nordic*
- Texas Parking Lot** 76-91cm (30-36")
- Vigorous, large burgundy leaves with a golden yellow edge. *Nordic*
- TWIST AND TWIRL®** 61-76cm (24-30")
- Twists and twirls of red, yellow, green and purple splash the foliage of this variety. *Nordic*

Streptocarpella
Concord Blue

☀️🌱 20-30cm (8-12")

A shade-loving member of the African violet family, Concord Blue's lovely blue blooms hover over the felted leaves. *Sobkowich*

Strobilanthes
Persian Shield

☀️🌱 46-91cm (18-36")

Heat-tolerant variety with bright purple, green, and silver leaves all season. *Nordic, Sobkowich*

Succulents

Aeonium

Kiwi

☀️🌱 15-30cm (6-12")

Low-growing, mounding variety with rosettes of pale yellow in the center become shades of chartreuse green to pink with red edges. *Nordic*

Crassula

Baby Jade

☀️🌱 20-41cm (8-16")

Glossy round leaves are hinted with a bright red edge. White star-shaped flowers appear in fall. *Nordic*

Crassula coccinea

Campfire

☀️🌱 30-61cm (12-24")

Heat-tolerant variety with unique coloration of bright red and yellow. *Nordic*

Crassula

Large Red

☀️🌱 15-25cm (6-10")

Dense, large, oval green leaves with red tips on upright stems. *Nordic*

Crassula

Princess Pine

☀️🌱 15-30cm (6-12")

This plant has a nice spreading habit and dark green reeds with slight purple tones throughout. *Nordic*

Crassula

Small Red Carpet

☀️🌱 15-20cm (6-8")

Multi-stemmed upright plant with small green fleshy leaves. *Nordic*

Crassula

Sunset Curls

☀️🌱 15-20cm (6-8")

Twisted leaves with a soft red edge. New this year. *Nordic*

Crassula

Variegated Jade

☀️🌱 15-20cm (6-8")

Brightly variegated white and green fleshy leaves. New this year. *Nordic*

Crassula mesembryanthemoides

☀️🌱 15-20cm (6-8")

Well-branched with long, pointed green leaves covered with soft bristle-like hairs giving a frosted appearance. *Nordic*

Echeveria
Arrow

☀️🌱 10-20cm (4-8")

Green rosettes with narrow pointed leaves and bright red tips. *Nordic*

Echeveria

Black Prince

☀️🌱 10-15cm (4-6")

Black Prince features tight rosettes up to 3" wide with thin, triangular leaves that are a dark black colour. Rich burgundy red flowers appear on stalks in late autumn. *Nordic*

Echeveria

Dark Red

☀️🌱 10-15cm (4-6")

Red colored leaves on fast growing compact plant. New this year. *Nordic*

Echeveria

Ebony

☀️🌱 10-15cm (4-6")

Tight rosettes of fleshy, sharp pointed greyish green leaves with red margins and dark purple tips. New this year. *Nordic*

Echeveria

Firecracker

☀️🌱 10-15cm (4-6")

Blue green rosettes covered with soft white hairs. Bright red and yellow flowers. New this year. *Nordic*

Echeveria

Perle Von Nurnberg

☀️🌱 15-25cm (6-10")

Grey symmetrical rosettes are highlighted with pink and purple. Coral-colored flowers appear in spring. *Nordic*

Echeveria nodulosa

Painted Echeveria

☀️🌱 25-46cm (10-18")

Definitive red lines mark the interior and edges of each leaf. Pinkish white flowers appear in fall. *Nordic*

Echeveria

Red Edge

☀️🌱 10-20cm (4-8")

Larger blue green rosettes with a bright red edge. New this year. *Nordic*

Echeveria

Red Sky

☀️🌱 15-25cm (6-10")

Soft red leaves on vigorous growing plants. New this year. *Nordic*

Echeveria
Red Tip 🌱 10-15cm (4-6")
 Pinkish grey fleshy leaves with pointed dark red tips.
 New this year. *Nordic*

Echeveria
Rosea 🌱 15-20cm (6-8")
 Compact rosettes with rose red tips and twisted leaf edges.
 New this year. *Nordic*

Echeveria
Topsy Turvy 🌱🌱 10-15cm (4-6")
 Topsy Turvy is a fast growing rosette-forming succulent with twisted blue grey leaves. Flowers appear in late summer on tall stems. *Nordic*

Graptopetalum pentandrum 🌱 15-25cm (6-10")
 It has fleshy, thick, and wonderfully lavender leaves. Rosettes up to 5" in diameter and have a flattened "face." *Nordic*

Graptosedum
Vera Higgins 🌱 10-20cm (4-8")
 Rosette-shaped reddish bronze leaves. *Nordic*

Graptoveria
Fred Ives 🌱 15-25cm (6-10")
 Dark purple rosettes are highlighted with pink and purple. Coral-colored flowers appear in spring. *Nordic*

Haworthia
Big Band 🌱 10-20cm (4-8")
 Bumpy, raised white bands on long, pointed leaves.
 New this year. *Nordic*

Kalanchoe marnieriana 🌱 15-20cm (6-8")
 Flat blue-green upward-facing rounded leaves on well-branched plants. *Nordic*

Kalanchoe pumila
Silver Grey 🌱 15-25cm (6-10")
 Scalloped foliage in shades of burgundy to dusty rose produce pink flowers in spring. *Nordic*

Kalanchoe tomentosa
Panda Plant 🌱 61-91cm (24-36")
 This unique plant has thick, soft, furry, silver leaves with a burgundy edge. *Nordic*

Kleinia
Blue Chalk Sticks 🌱 61-91cm (24-36")
 Soft blue, round leaves cover this low-maintenance succulent.
Nordic

Lampranthus deltooides 🌱 15-25cm (6-10")
 Well-branched with fleshy three-sided bluish green leaves and dark stems. *Nordic*

Orostachys boehmeri
Chinese Dunce Cap 🌱 5-10cm (2-4")
 Soft, silver-grey-green foliage form beautiful paddle-shaped leaves in a tight rosette. *Nordic*

Pachyphytum
Silver Jelly Bean 🌱 10-15cm (4-6")
 Chubby, jelly bean-like, blue-green leaves develop reddish tips when grown in high light conditions. New this year. *Nordic*

Peperomia
Happy Bean 🌱 25cm (10")
 Long narrow bean-shaped green leaves with curled edges. Vigorous upright habit. New this year. *Nordic*

Sedum
Carnicolor 🌱 10-20cm (4-8")
 Rosettes of fleshy grey green leaves with pink tips and margins on sturdy trailing stems. *Nordic*

Sedum
Fine Leaf Gold 🌱 3-10cm (1-4")
 A dense sea of finely textured petite yellow leaves. *Nordic*

Sedum clavatum
Aurora Blue 🌱 10-15cm (4-6")
 Small frosted green leaves form tight spirals to create thick rosettes that in bright light become tipped with pink. *Nordic*

Sedum makinoi 🌱🌱 8-15cm (3-6") Zone 7
Ogon
 Sedum Ogon is a low growing mat-forming plant with small golden yellow leaves. It prefers partial sun and dry to medium moisture. *Nordic*

Sedum morganianum
Burrito 🌱 10-20cm (4-8")
 Long trailing stems and densely packed foliage. Short thick lime green leaves. *Nordic*

Sedum nussbaumerianum

Sedum rubrotinctum

Kalinda Sempervivum

String of Pearls *Senecio*

DARK DANCER™ *Trifolium repens*

TAPIEN® Blue Violet *Verbena*

Wojo's Jem *Vinca major*

Illumination *Vinca minor*

Sedum nussbaumerianum 8-15cm (3-6")

Slightly fragrant white flowers appear on cylindrical, copper-toned foliage in January through April. *Nordic*

Sedum rubrotinctum 15-20cm (6-8")

Jelly bean-like leaves on dense plants that change from green to red in summer. *Nordic*

Sempervivum
Kalinda 10-15cm (4-6")

Large succulent leaves held in tight green heads with blood red centers. *Nordic*

Senecio
String of Pearls Trails 61-91cm (2-3')

Round, succulent leaves carried down long, slender stems. They look more like peas than pearls, but this succulent is definitely a gem. *Nordic*

Trifolium repens
DARK DANCER™ 8-20cm (3-8")

Vigorous grower has dark clover-shaped leaves with green edging and white flowers in summer. *Nordic*

Verbena
TAPIEN® Blue Violet 'SUNmaref TPV' USPP9411 Can1081 8-18cm (3-7")

An endless carpet of blue-violet blooms all season; excellent annual ground cover. *Nordic*

Vinca major
Wojo's Jem USPP11809 8-15cm (3-6")

Compact, mounding and trailing habit with dark green and white variegated foliage. *Nordic, Sobkowich*

Vinca minor
Illumination USPP12132 Can1632 8-15cm (3-6")

Variegated foliage has an interesting coloration with lemon-colored leaves edged with lime. Blue flowers appear in spring. Trailing habit. *Sobkowich*
